REF: Everlast Vinyl Sheet Pile Bulkhead
Kansas Air National Guard
McConnell AFB, Wichita, KS

Dear Mr. Hazenberg,

I managed the project in late 2007 and early 2008 where the Kansas Air National Guard installed approximately 1000 LF of ESP vinyl sheet pile to stabilize a lakefront shoreline.

To date the product is performing as designed and we are pleased with the positive appearance it provides to the stabilized area. We would not hesitate using the product again on future projects where suitable.

Sincerely,

Brock J. Sissel, PE, Maj., KSANG
Deputy Base Civil Engineer
